

# **European Business Management Accredited College (EBMAC)**

**Name of the Program(s): - PhD in Business Management, PhD in Business Administration, DBA (Doctor of Business Administration), Professional PhD, Professional PhD in Management (Regular Program), Professional Doctorate in Business (PDB), Executive Doctorate in Business and Management (DBM).**

## **Why DBA or PhD in Business Administration/Business Management?**

If you're aiming for the highest level of business management education, a Doctor of Business Administration (DBA) or PhD in Business Management from a leading European Institution can open doors to advanced leadership & strategic management skills, and academic careers. Accredited Institution is home to some of the world's most respected DBA and PhD programs, blending rigorous research, practical business management insights and global networking. This rigorous DBA/PhD program sharpens your leadership and analytical skills, enhances critical thinking, and empowers you to master a specific business management field through advanced research.

The image is a composite of two parts. On the left, there is a dark blue background with white text. At the top, it says 'European Business Management Accredited College'. Below that is a black rounded rectangle containing the red text 'EBMAC'. Underneath 'EBMAC' is the text 'DBA and PhD in'. Below that is a large, bold, yellow text 'Business Administration' with a horizontal line underneath it. At the bottom is another black rounded rectangle containing the yellow text 'Management'. On the right side of the image, a pair of hands is holding a white tablet. The tablet screen displays a business-oriented dashboard with various data visualizations: a line graph showing a downward trend, several bar charts, a small globe icon, and some numerical data like '825963' and '996801'. The overall theme is professional business management.

DBA or PhD Digital program is designed for senior professionals or business entrepreneurs who are keen to gain research experience and future-proof their leadership with a deep digital and analytics groundwork. Core areas of study are digital business transformation, Leadership Management, ethical leadership, and operational strategy. Candidates are accompanied by an international faculty panel and access to the cloud research labs at EAMAC. The delivery system for DBA or PhD program at EAMAC is:

- Digital DBA or PhD in Business Management: Fully online, flexible format
- International DBA: Courses held in various countries (e.g., Europe, Asia, Africa)
- Customized DBA: Personalized supervision based at the EBMAC campus

## Why EBMAC Professional PhD in Business Management?

### The EBMAC Professional PhD / DBA enables students to:

- Understand state-of-the-art research in their fields of study;
- Acquire the necessary understanding and expertise in methods and techniques for research design, data collection, and data analysis;
- Conduct, write, and disseminate high quality professional Doctoral level research;
- Achieve a greater level of effectiveness as a professional practitioner in managing technology, innovation in Education Administration or Educational Leadership, and change management; and

- Gain legitimacy as International professional researchers and faculty members in both academic and non-academic environments.

### **Potential Career Scope for our EBMAC PhD/ DBA doctorates:**

- Quality inspection
- Consultancy
- Local Authority senior management
- Department for Education senior management
- Journalism/writing
- Educational charity work
- Educational policy
- Social work
- Local government
- Higher education

## **COURSE MATERIAL**

Besides using the traditional books EBMAC has also modernized the learning process by providing students with online portal consisting of –

- **Study Materials (Soft copies)** – PDF of books are provided to students making studies nomadic & convenient. EBMAC Department of Students Affairs will assign Study Materials via Email or other methods after registration and admission.
- The focal point of EBMAC study materials is enhancing Practical Education. EBMAC Kit provided to applicants is a world full of practical scenarios, explanation in terms of facts rather than theoretical phrases. Customized to be self-explanatory & easy to understand.
- **Faculty Guidance** – EBMAC panel of intellectuals guide students personally with regards to any query through email about any concept in the notes provided, being the author of the same.

## **EXAMINATION**

EBMAC Professionals are given the privilege to answer exams from any examination center in the world along with the freedom to pick the exam schedule for the same, as time permits in the particular examination months of EBMAC. Students are allotted 2 modes of examinations – Home Based/Center Based.

- Question papers would be drafted by EBMAC panel of veteran professors which would be TMA (Tutor Mark Assignment), OBS (Open Book System) and MCQ study pattern. A single course will consist 100 marks based on these three pattern of exam types. In each program will consist a major (Thesis Research) course or theory in order to complete the respective Diploma Program.
- This unique & novel methodology teaches a student how to assess business situations and make decisions based upon those assessments, allowing students to display their potential.
- In case of home based/distance learning exams question paper would be emailed to the students, which they would have to answer & courier back to EBMAC office or EBMAC directed authority in the respectable exam slab.
- Candidate also has the option of appearing for Center Based Examination wherein they would have to visit one of the many EBMAC exam centers & complete answering the exam in the duration of 3 hours which wouldn't be an open book examination.

## **BENEFITS AND FEATURES:**

- (i) **Flexible Programs & Curriculum:** You can earn and study at the same time! From EBMAC International Curriculum, Flexibility is the biggest advantage of distance learning courses. This stands true especially if you are a working professional. Not everyone has the luxury of taking their own time to finish their studies. For those who had to take a break from studies to start working, such courses are a boon and provide the opportunity to pursue higher education.
- (ii) **Saves Time & Energy:** You save up a lot of time and energy on commuting. You can stay at any place and pursue a course that is available at EBMAC. Or you might be based out of a remote village or town which does not have enough options for higher studies. Distance learning courses eliminate these obstacles.
- (iii) **MCQ, Case Based Learning:** MCQ, A Case-based approach engages students in discussion of specific situations, typically real-world examples of Indian and International companies. Allowing the students to put their theoretical knowledge to practice.
- (iv) **Study at your own Pace:** Not everyone has the same pace of learning. Some students pick up things fast, others need time to grasp a concept. One of the biggest advantages of distance learning is that you can study at a pace that is comfortable for you.
- (v) **Saves Money:** These courses are almost always cheaper as compared to their on-campus counter-parts. You also cut down on the costs incurred while commuting etc.
- (vi) **Personal Fulfillment:** An DBA/PhD is the key to unlocking both a professionally and personally rewarding future. Education is the foundation upon which you can build lifelong business and personal achievements. The EBMAC DBA/PhD program is designed to enrich your personal life, as well as to keep you informed about a constantly changing industry.
- (vii) **Convenient:** You can submit your assignment with the click of a button or simply drop it off at a post-office! It's sometimes as simple as that!
- (viii) **24X7 Access to Study Material & fellow Students:** This is the best way to study if you are comfortable with internet and technology. You can access your study material online whenever you want and also clear doubts, exchange views and discuss with your virtual class-mates!
- (ix) **Study any Topic You Want:** Since you'd already have all your books/online study material with you, you can pick up any topic/chapter that interests you and tackle that first! This way your interest in the subject is sustained.
- (x) **Higher Level of Self-Confidence:** The knowledge gained through our Correspondence DBA/PhD program will enhance your effectiveness in your current position and help define your future career path. It will sharpen your skills in critical business areas, giving you the self-confidence you need to become a leader in your profession.
- (xi) **Specialization:** We provide more than 80 specializations which allow students to gain additional knowledge and background on specific business topics.

## **ACCREDITATIONS AND RECOGNITIONS:**

### **EIEAS, ITQSM, IEQAB Accredited & International Partnered Professional Academies.**

EBMAC has proudly claimed the Excellence in Online Distance Learning Award presented by its Governing Body Really Matters as a token of appreciation for providing top notch education to professionals globally. This solely proclaims that EBMAC is one of the best Professional Academy in the field of online distance learning.

## **PROFESSIONAL FACULTIES:**

EBMAC Faculty members are highly professional, qualified & experienced. Professors provide substantial assistance through 24\*7 web support. Each & every query regarding studies, assignments, cases, projects, research are resolved on time & responded with clear, relevant answers on par with syllabus. They update themselves from time to time about the changing market scenario & syllabus. Thus working professionals have chance to get resourceful information by interacting with professorsthrough web-support from time to time. Timely communication & assistance is key to our successful association with our students & our professors believe in same.
